👤 PROFILE

A highly accomplished, skilled and knowledgeable computer science student with extensive knowledge of programming and computer applications.To secure a position where I can efficiently contribute my skills and abilities to the growth of the organization and build my professional career.

🎓 EDUCATION

B.Tech
Pragati Engineering College
2020 – present | Surampalem
CGPA-7.57

INTERMEDIATE
Sasi Junior College
2018 – 2020 | Velivenu
GPA-9.34

Board of Secondary Education
Pragati Public School
2017 – 2018 | Kakinada
GPA-9.8

🧠 SKILLS

Python
Java
Html,Css
JavaScript

📄 CERTIFICATES

- Microsoft Azure Fundamentals (AZ-900)
- Kodnest Java Internship

🔑 INTERESTS

- Travelling
- Reading Books
- Sports

🧩 STRENGTHS

- **Self-motivated**
- **Active listening**
- **Quick Learner**
- **Good at Communication**

📁 INTERNSHIPS

Salesforce Developer Virtual Internship

AI-ML Virtual Internship supported by AWS Academy

Python Development Intern- CodeClause

📁 PROJECTS

Weather App

- Created an app to see the content of the weather and its temperature humidity etc. using api key to connect the world wide weather.

Technology Used: Html, Css, Javascript

AI-ENHANCED WEAPON DETECTION AND ALERT SYSTEM WITH AMAZON RECOGNITION

- This project aims to minimize the police response time by detecting weapons through a live CCTV camera feed. So it alerts the police as soon as it detects any sort of weapon. In our project we are focusing on guns primarily.

TechnologyUsed :

Python,MySQL,Django,JavaScript,ML

🏆 EXTRA-CURRICULAR ACTIVITIES

- Worked as a Student Co-ordinator in Strides 2k23(Break the Query)conducted by Pragati engineering College.
- Participated in Tech Expo, Coding competitions on Strides events
